Payment Options

## Add The card Details

A mobile app screen titled "Add Payment" with a back arrow in the top left. The status bar at the top shows signal strength, Wi-Fi, and the time 15:39. The form contains the following fields:

- Card Number:** A text input field with a card icon on the left.
- MM/YY:** A text input field for the expiration month and year.
- CVC:** A text input field for the card verification code.
- Billing Zip Code:** A text input field with a location pin icon on the left.

At the bottom center is a "Save" button with a hand cursor icon to its right.

## Place The Order

A mobile app screen for placing an order. It features a back arrow in the top left and a right-pointing chevron in the top right. The status bar at the top shows signal strength, Wi-Fi, and the time 15:39.
